BANQUET IN THE NEW TRUCK HOUSE

Notable Gathering of Firemen, City Officials and Others.

MANY MAKE SPEECHES

Formal Occupation of New and Modern Home by the Relief Hook and Ladder Company.

Alexandria's handsome new fire house, the home of the Relief Hook and Ladder Co., declared by experts to be one of the best arranged and most comfortable buildings of its kind ever erected, was formally opened last night with a magnificent banquet.

The house which was opened for inspection previous to the entertainment was brilliant with electric lights. Over the entrance the letters "R. H. L." were outlined in electric globes.

The banquet was served in the apparatus room which was pink and span in its newness. From the four cornors of the room were hung festoons of colored electric lights and the walls were draped with bunting and American flags. The guests assembled in the meeting room on the second floor where they were welcomed by the members of the company who wore their uniforms.

The banquet table was a most attractive sight with its shaded lights and bowls of white chrysanthemums. At each guests place there were boutoneirers of carnations.

The menu was as follows:

Spanish Olives Celery Radishes
Oyster Cocktail
Fried Oysters a la Alexandria
Chicken Salad Cold Turkey
Potato Salad
Cold Ham Cold Tongue
Sliced Tomatoes Potato Chips
Diplomatic Rolls
American Cheese Salted Peanuts
Bananas Grapes Oranges
Tivoli Beer Cigars Coffee

The assemblage around the tables was a brilliant one. Among the guests were city officials, officers of the other two fire companies of Alexandria, representatives of the Washington fire department and many prominent business men.

During the course of the dinner music was furnished by an orchestra.

John H. Trimyer, president of the company presided and was very happy in his remarks. He made an eloquent plea for a new truck to take the place of the one now in use by the company and all of the speakers of the evening pledged their support to the efforts of the company to secure an appropriation from council to purchase a new truck.

Mr. Trimyer in opening his remarks gave a brief history of the Relief Company. The present company was organized in 1867 taking the place of the old Relief Company organized in 1788. He read the roll of members of the original company and among the names was that of Captain Richard M. Latham, honorary captain, who was present at last night festivitives, As Captain Latham's name was being read he was given an ovation.

Mr. Trimyer pleaded for a new motor truck to take the place of the present truck which he declared unsafe and which he said is thirty years old. He recalled the breaking of one of its ladders while being used at the big fire Saturday night last. Tribute was paid the Washington Fire Department for its aid at the fire Saturday night.

The speaker also referred to the movement to remove the monument in Ivy Hill Cemetery, erected in honor of the memory of seven volunteer firemen of this city who lost their lives in a fire November 17, 1855 to this city.

Short addresses also were made by John Leadbeater, first vice president of the Columbia Fire Company; Kenneth W. Ogden, first lieutenant of the Reliance Company; Thomas A. Hulfish, chief of the Rosemont Fire Department; Frank Heisley, chief of the Potomac Fire Department; Thos. Chauncey, formerly secretary of the fire committee of the city council; Capt. John H. Virnstein, of Company No. 16, Washington; Capt. C. E. Harper, of Truck Company No 5, Washington; Capt. R. M. Latham, honorary captain of company; City Councilman A. D. Brockett, Robert S. Barrett, editor of the Alexandria Gazette; Julian .Y Williams, J. Fred Birrell, member of the house of delegates and Capt A. D. Grimes.

The Washington Fire Department was represented by Capt. John H. Viernstein, of Company No. 16, and Capt. C. E. Harper, of Truck Company No. 4. A letter of regret was read from Chief Wagner owing to his inability to attend.

Regrets also were received from Mayor T. A. Fisher, City Treasurer Thomas W. Robinson Charles H. Callahan, commissioner of revenue; John B. Waller clerk of gas; William A. Smoot president of the Columbia Fire Company, and City Councilman Chas. B. Marshall.

The committee on the banquet was composed of W. C. H. Wildt, chairman Richard Mumford, Henry Beach, Joseph De Silva, J. E. Howell, J. D. Normoyle, E. C. Wildt, J. D. Webster E. E. Padgett, and Charles Woomert.

The new building which was erected at a cost of $12,000 under the supervision of the City Engineer Dunn is a very handsome and commodious structure. It is of Colonial design, built of brick with stone trimming. The apparatus room on the first floor is the largest room. It is 28 by 68 feet in size and contains two tracks, one for the truck and the other for the extra engine owned by the department. In the rear are the stalls equipped with electric releasing devices for the horses. On the right of the apparatus room is a lounging room 12 by 16 feet in size. Back of this is a bath room, the entrance to the hose tower and the feed and harness rooms.

The stairway to the second floor is located on the right. On this floor is the main assembly room 20 by 35 feet; a billiard room 16 by 20 feet and a dormitory, 12 by 20 feet. In the rear are bath rooms

The building committee was composed of J. D. Normoyle, chairman A. E. Smoot, Charles F. DeMoll, E. C. Wildt, Joseph De Silva, Wm. C. H. Wildt, G. M. Myers, W. J. Cleveland, A. C. Hullings and C. L. Folmar.

NOTES OF THE BANQUET

Hon. J. Fred Birrell, member of the House of Delegates, paid an eloquent tribute to the memory of the late Frank C. Spinks who was an enthusiastic member of the company.

There was considerable evidence of bashfulness on the part of many of the guests who were expected to speak. President Smith, of Common Council, Alderman Summers, chairman of the fire committee, Alderman J. Marriott Hill, Chief Gronau and City Engineer Dunn were among those who were excused.

The best speech of the evening was made by Alderman George H. Robinson, who gave a graphic description of his knowledge of fire conditions in Alexandria.

The ovation to Captain Dick Latham, the "daddy" of the company was one of the delightful spots in the evening's entertainment. It was spontaneous and genuine and deeply appreciated by the veteran fireman.

Preceeding the banquet a number of selections were played on the handsome new pianola which is a feature of the assembly room on the second floor.

Captain Vierman of the Washington department said that compared to the new Relief house the quarters of his company in Washington were like a dog house.

There were so many enthusiatic expressions in reference to the Relief company and its members that one guest remarked that the third stall in the rear of the building had been reserved to "tie the bull in."

City Engineer C. E. Dunn was given an enthusiastic welcome and received many congratulations upon the building. It was declared to be "the best piece of property the city owns."

Councilman Charles B. Marshall, who for many years fought to prevent the sale by the city of the lot on Prince street, now occupied by the truck company, and has always been a warm supporter of the fire department was unable to be present on account of illness.

Chief Hulfish of the Rosemont Department, and Chief Heishley, of the Potomac Department, crossed horns in an effort to prove that each one headed the smallest fire department in the world.

"Mike" Dwyer and Jim Peyton had a busy night, covering three banquets. They first took in the annual banquet of the stockholders of the Chapin-Sacks Company of Washington, at the Hotel Rammel, then the Relief Banquet and wound up at the banquet to the Past Masters' Association at Masonic Temple.

COMMUNICATIONS OF GERMANS CUT

Fighting Between Bruges and Ghent Becoming More Determined

ATTACKS IN THE REAR

Fire of British Monitors Causes Kaiser to Withdraw His Advance Line to the Eastward.

Paris, Oct. 23.—The Germans are making a desperate effort to break through the allied lines in the vicinity of Arras as well as in the north.

This was admitted by the war office today when it also stated that the fighting is of so severe a character that at various points it has been found advisable to cede territory and at other ground has been gained.

The losses on both sides are declared to be enormous. Because of the flat nature of the ground, with practically no cover, the troops are exposed to artillery fire always deadly on both sides.

As a result, the fighting is more or less of a pendulum character. Various gains are being offset by various losses of territory, it is stated, it being found advisable to make slight recessions where the German assaults are most severe.

On the whole, however, the lines are maintained without any very great change despite the severe nature of the fighting.

The Hague, Oct. 23.—Reports reaching here declare that the allies have succeeded in cutting the German communications between Bruges and Ghent.

The fighting in that section is declared to be increasing.

Bands of franctireurs are reported operating in the rear of the German lines and have sniped hundreds of Germans.

Paris, Oct. 23.—The Germans are reported today to have withdrawn their advanced line eastward from Mariakerke and Middlekirke because of the fire of the guns of the British monitors.

They have heavily intrenched themselves east of the main highway that connects Ostend and Nieuport, and have also fortified the line from Wilskerke, southeast to Thorout. The new German headquarters in the north is reported to be at Ghistelles.

There has been no cessation of the violent fighting, according to the reports received this morning at General Gallieni's headquarters. The Germans are continuing their attempts to break through the line from the north toward Nieuport and from Lille, but at no point have they succeeded.

The Germans are also reported active in the east along the heights of the Meuse and near Verdun, where they are shelling small forts of the Toul-Verdun line.

Reports say that a large portion of Lille has been burned. The town has been the center of fierce fighting between the British and Grman cavalry, in which there were many hand-to-hand encounters. The allies were finally forced, however, to abandon the city because of the extreme strength of the German forces.

MRS. CARMAN ON THE STAND

Accused Woman Denies Firing Shot That Killed Mrs. Bailey.

Minola, N. Y., Oct. 23—Mrs. Florence Conklin Carman took the witness stand in her own defense in the supreme Court here late yesterday and entered a sweeping denial of the charge that she murdered Mrs. Louise Bailey. Item by item she went over the story of Celia Coleman, the South Carolina negress in her employ at the time of the tragedy in the Carman home in Freeport last June, and declared false every accusation made against her by the colored domestic in her testimony Wednesday.

A fabrication from beginning to end was, in the essence, her characterization of the maid's narrative of the events of the night Mrs. Bailey was shot and killed in the office of Dr. Edwin Carman, husband of the defendant and of subsequent happenings in the Carman home.

Mrs. Carman told the following story:

"I am the defendant. I was married to Dr. Carman in 1892.

"Early in the morning of June 30, 1914, I went to New York. I spent the day shopping. I returned to Freeport with a headache, on a train at 6 o'clock.

"As soon as I got home I took off my coat and went to the supper table. I answered the front door once. I admitted a man I do not know. I still had the headache at this time. After supper I went right to bed. I undressed and put my clothing away Then I put on my night clothes and we to bed. I was ill. I heard Elizabeth playing the piano. I told her to stop. Soon after I heard a shot and some commotion downstairs. I sat up and put on my kimono. I also put on my slippers. I went downstairs into the pantry room. I could not see in the office. The door was closed I heard the doctor talk then. I went back upstairs, thinking that everything was all right. I met Elizabeth upstairs. Soon after Mrs. Powell came up and told me that some woman had been shot in the office. Mrs. Conklin also came up.

"The District Attorney called about 9:30 o'clock that night. I went to bed at 10 o'clock. I had not been off the premises the whole night. The reason I did not go into the office was because Dr. Carman told me never to go into the office after we had the trouble with the nurse. We also had another difficulty about the office on other occasions.

"As to the telephone instrument I had that installed because of stories I had heard. People would ask him how his girls were and he would stay out all right. I was not crazy jealous, but I wanted to find out if the stories were true. If they were I was determined to live under the same roof with Dr. Carman for my daughter's sake. But I resolved that I would never even speak to him again.

"I did not know Mrs. Bailey. I had never seen her alive. I saw her dead body at the morgue three days after the murder.

"I have never fired a gun or a pistol in my life. I know nothing about firearms.

"I did not go through the kitchen as Celia Coleman said. I did not say 'I shot him.' I did not come down in a kimono and a night cap. I did not go in Dr. Carman's office at any time on June 30.

"I did not show Celia a revolver. The only revolver I ever handled was a little one the doctor kept in his bureau drawer. That was a tiny little one. I gave it to the district attorney. Celia Coleman did not speak the truth when she said she tried to keep me from going into the office. I did not tell Celia I would take care of her little boy if anything should happen to her. Neither did I ever give Celia $5 and tell her that was for keeping her mouth shut. I never winked at Celia when you were asking me questions. I did not tell Celia the day after the murder to get Mr. Conklin from the barn as I wanted him to get the revolver out of the house. I did not go to Celia's room the morning after the murder. I did not say 'I hope God will forgive me,' or why did I kill that woman."

Mrs. Carman then took off her gloves and exhibited her arms to the jury.

"I never had any scars on them," she said. "They were not cut on the night of June 30."

GERMANS SAID TO BE IN RETREAT

At Points in the Vicinity of Warsaw Enemy is in a Rout.

LEAVE EVERYTHING

Total Loss of Teutons During Operations in Poland Declared to Aggregate 200,000 Men.

Petrograd, Oct. 23.—The general staff, in an official bulletin made public today, says that the German forces are in full retreat from the vicinity of Warsaw.

At several points the retreat has taken on the proportions of a complete rout. Many of the German heavy guns have been mired and captured by the pursuing Russians.

So precipitate has been the German retreat that they have been forced to abandon their wounded and large quantities of hospital stores. The crack German corps have been terribly decimated by the Russians, who attacked from front and flank.

Russian cavalry is harassing the retreating army, taking numerous prisoners.

The reports reaching military headquarters from the front say that the total losses of the Germans—killed, wounded and prisoners—in their operations in Poland to date number 200,000.

Fighting is still in progress along the line of the Vistula and is constantly increasing in magnitude.

Gettinje, Oct., 23—Fighting of a most severe character is in progress between a large force of Austrians and the combined Servian-Montenegrin armies in Bosnia and Herzegovina. In an official statement issued today the government declares that at every point the Austrians have been repulsed.

Fredericksburg was selected as the place of the next reunion, the invitation being accepted unanimously.

NOT A VIRGINIA LEE.

Autograph in Old Volume Discovered In Jersey, Probably of Maryland Origin.

Richmond, Oct. 23—The tender made by Clarence H. Lobdell a citizen of Newark, N. J., who desires to restore to the Lee family of Virginia an old volume now in his possession bearing the autograph of Charles Launcelot Lee, prompted State Librarian M'Ilwaine to make inquiry yesterday into the geneology of the Lee family. Dr. M'Ilwaine discovered that no member of the family in the eighteenth century, the period in which the book was published, and Charles Launcelot Lee lived, bore the name which appears on the flyleaf of the old tome.

The book itself is of no note either as a literary or scientific work. It is one of the lesser works of Pierre, author of "Paul and Virginia." Dr. M'Ilwaine is of the opinion that Charles Launcelot Lee was of the Maryland family of that name. Mr. Lobdell tendered the volume to "the members of the Lee family, who may best deserve it" in a letter addressed to Governor Stuart a few days ago. The Governor has been in the Southwest since he received the letter, but will probably return today.

MURDER IN UNITED STATES.

Gradual Increase Reported During Past Thirty Years.

New York Oct. 23—Deaths by murder have gradually increased in the United States in the last 30 years, according to statistics collected by the Spectator, an insurance weekly, which makes public the result of its investigation. It is stated that there are six times as many homicides in New York City as in London.

Combining the returns for 30 representative American cities for 1913 the homicide rate was 8.7 per 100,000 of population. This rate, the Spectator says, is the highest since 1884 with exception of 1907 when it was 8.8

Another table showing comparative homicide rates in 30 American cities for the decade ending 1912 and for the year 1913, brings out a contrast between the rates in Southern cities and those of the North and West. Memphis Tenn., ranks highest in the homicide rate of American cities the Spectator adding that this position is not only maintained for 1913, but shows an increase to 9.7 per 100,000 of population. Manhattan and The Bronx boroughs of New York City show an increase during 1913 of 1.14.

NEXT YEAR'S SYNOD AT CHARLES TOWN

Virginia Presbyterians Transact Much Business This Week.

A PLEA FOR SCHOOLS.

Impetus Given to the Campaign for $100,000 in Behalf of the Hampden Sidney College.

Lynchburg, Va., Oct. 23.—Much important business was transacted yesterday by the Synod of Virginia, of the Southern Presbyterian Church, Charles Town, W. Va., was selected as the place for holding the synod of 1915.

The recommendation, made on Wednesday, for the appointment of the synod's ad interim committee on education was adopted. The training school for lay workers, to be opened at Richmond, November 4, was represented by Rev. William Megginson, dean of the school.

The report of the committee on Christian education and ministerial relief showed there are now sixty-two candidates for the ministry in this synod. It showed also that in the state institutions of learning in Virginia more boys from Presbyterian homes are to be found than in the church schools of the state.

The report of Rev. J .E. Booker, of Richmond, superintendent of home missions, showed $20,869 raised for home missions, an advance of more than $1,000 over previous years.

The home mission assessment for the coming year is $17,000, with $3,400 to aid home mission work in the Synod of West Virginia. The synod gave about $100,000 to foreign missions last year. Rev. Egbert W. Smith, the assembly's executive secretary of foreign mission work, addressed the synod in that interest.

That item of the report of the committee on bills and overtures recommending that the synod overture the next General Assembly to erect the Appalachian Synod was adopted.

The report of the committee on the assembly's home and school occupied most of the afternoon session, but was left over as unfinished business to be considered on Friday morning.

The evening session was devoted to the consideration of home missions and Hampden-Sidney College. Rev. Homer McMillian, the assembly's executive secretary of home missions, spoke in that interest.

A feature of special interest at the evening session was the presentation of a silver service to Dr. James Power Smith, for forty-five years stated clerk, as a token of appreciation of his service. During these years he has missed no session of the synod.

BOXER KILLED IN BOUT.

Fighter in Indiana Dies From Blow in Solar Plexus.

Gary, Ind., Oct., 23—Joe Levendowski, of Michigan City, Ind., was killed in a boxing bout with Jack Lundren, of Chicago, Wednesday night. In the second round Levendowski, broke from a clinch, holding his head down.

Lundren landed several blows on the back of the neck and finally planted a terrific walop on the solar plexus.

Levendowski went to the floor and was counted out by Refree Chapin. His seconds could not revive him and a physician was called.

All efforts failed to revive the Indiana fighter. Chapin and Peter Mayhew, manager of the hall, were arrested. They were released on $2,000 bail.

Lndren could not be found after the fight, but his friends say he will appear at the inquest.

The afternoon papers of Mexico City publish a rumor of the death of ex-President Porfirio Diaz, at Bordeaux, but without comment.

NEW POWER HOUSE

Adjunct to Plant of Municipal Service Company Turned Over to Owners

The new power house of the Alexandria County Lighting Company, built at a cost of $25,000, was completed today and formally turned over to the owners by the Municipal Service Company, of Philadelphia, the contractors. The new structure is twice the size of the old power house, being 94 by 135 feet in size. It is erected of brick and steel with a reinforced concrete roof. All of the sash and doors, with the exception of the front door, is of steel and the building is therefore fireproof.

The construction of the new building presented some unusual engineering problems as it was necessary to build it around the old structure without interrupting the operations of the plant. After the new building was completed the old structure on the inside was torn down.

During the coming winter new turbines and boilers to double the present capacity of the plant will be installed.

The architect of the building was Francis R. Weller, of Washington, and George W. Lucas was the constructing engineer.

STEAMER'S FINE CANCELED.

Decision of Board of Steamship Inspector Reversed.

The Department of Commerce has reversed the decision of the District of Columbia board of steamship inspectors, which imposed a fine of $50 upon the steamer Wakefield, of the Potomac and Chesapeake Company, for navigation outside of the waters described in the certification of inspection, and the fine has been recalled. The Wakefield's license confined her operations to the Potomac river, and it was shown that she had recently gone to Newport News to be docked. C. H. St. John, general manager of the company, appealed from the decision on the ground that it has long been the custom of steamers owned in Washington to go to Baltimore, Norfolk, or Newport News for repairs without having complied with the regulations.

TO TEST VALIDITY OF TAX.

Papers to be Filed With the State Corporation Court

(Special Dispatch to the Gazette.)

Richmond, Oct. 23.—The validity of the rolling stock tax is again to be tested in the courts of the state. This was announced here today when S. Hamilton Graves, representing the city of Roanoke, declared that papers would be filed with the State Corporation Commission the coming week. Several of the cities of the state would suffer heavily were the law to be held valid, and a great saving would be made to the roads because of the lower tax rate existing in the counties as against the city rate.

NEWS OF THE DAY

Official announcement was made in London yesterday that ships belonging to enemies of the allies which have sought refuge in the Suez Canal will be compelled to leave. The Egyptian government is taking steps to remove from the Suez Canal all the enemy's ships that have been long enough in the canal to show that they have no intention of departing in the ordinary way and which apparently are putting the canal to a use inconsistent with its object.

"OLD GOSPEL TRAIN"

Evangelist Starke Will Speak to Railroad Men at M. E. Church South Tomorrow Night.

A special service has been arranged for railroad men, their families and friends at the M. E. Church South, Saturday night, at 7:30. Evangelist Starke will take for his subject, "The Old Gospel Train," among them "Life's Railway to Heaven," "Only a Brakeman," and "Papa's Late Train." While this is a special service for railroad men, everybody is most cordially invited to attend.

Last night the evangelist took for his subject, "A Hebrew Hero." The character taken for illustration was that of Daniel. Mr. Starke described "Daniel" entering the great city of Babylon, with its high walls, gorgeous palaces, fine gardens, and its idoletry which gave license to all sorts of abomination. He described the "Hebrew Hero" as a man of purity, daring and duty, duty to God and to his fellow man, and showed how, because he was true to his convictions of right, God honored him, as he honors any man who obeys him, and who rules his passions and appetites instead of being ruled by them. Many have pronounced Mr. Starke's picture of Daniel, and his environment as one of the most instructive and entertaining talks they ever heard on the subject.

Tonight Mr. Starke will talk to backsliders, taking for his subject, "Six Steps From the Life of Peter."

Mr. Starke will say farewell on Sunday night.

CORPORATION COURT.

(Judge L C. Barley Presiding.)

ALEX. COUNTY LIGHTING CO

WEDS AT SEVENTY-FOUR.

Virginia Septuagenarian Makes Fourth Matrimonial Venture.

"Yes; it's been more than fifty years since I made my first leap into matrimony and that was right here in Washington. Now I'm going to try it the fourth time and I thought I would come back to your city to go through with it."

With these preliminary remarks, Christian Debow, who has passed his seventy-fourth milestone, survives three wives, requested another marriage license of Clerk Kroll, at the District Supreme Court, yesterday.

Accompanying Debow was Mrs. Bettie V. Fulton, a buxon widow thirty-eight years his junior, who shortly afterward became the fourth Mrs. Christian Debow.

"I've been married three times and all my wives are dead," the aged applicant volunteered as the clerk proceeded with the serious business of filling out one of the blank forms. "I though I'd better tell you about that."

Mr. Debow's fiancee had been married once and her former husband is dead. Both are from Roanoke Va., and there is a surprise in store for their friends in their home town. Without a word to even the most intimate friends, they stole out of the Virginia city yesterday on an early train, arriving here about 10 o'clock.

"I would have come back to Washington for my second marriage," continued Mr. Debow, "but as long as my first wife had died I thought I would try another place. So I went on through to Baltimore. The next time I tried Richmond, Va., but there was no difference. They all die, so I thought I might as well come back to the National Capital and get a fresh start in the place where I began marrying over a half century ago."

When Debow first came to Washington, he said, marriage licenses cost only 62 cents. Now they cost a whole dollar.

"Everything else has gone up, and why not marriage licenses," he said.

Rev. James Shera Montgomery performed the ceremony. Mr. and Mrs. Debow will spend their honeymoon in Leesburg, Va.

TO PLEAD UNWRITTEN LAW.

B A. Helms Killed Man he Found With His Wife

Norfolk, Va., Oct. 24.—Benjamin A. Helms, of Suffolk, was placed on trial today in Nansemond county Circuit Court for killing Sidney Saunders, son of B. L. Saunders, a merchant of the same town.

The killing occurred on the night of August 22. Helms had warned Saunders to stay away from his wife. He found the two together near an old fort on the outskirts of Suffolk and fired three bullets into Saunders' body.

Helms was offered assistance from scores of citizens, but declined to apply for bail and has been in jail since the night of the killing.

He will plead the unwritten law, and scores of witnesses from Virginia and West Virginia will testify as to his previous good character. The trial is creating intense interest throughout the state.

FELL 3,000 FEET

An Aeronaut Killed in Presence of 5,000 People.

Roanoke, Va., Oct. 23.—In the presence of 5,000 people at the Fincastle Fair, in Botetourt county, yesterday afternoon, Walter Flaxton, an areonaut fell 3,000 feet to his death, the parachutes he carried for his descent failing to work.

The young man had planned to make a triple drop by the use of three parachutes, but the cords evidently caught, and when he came down he was doubled up in a knot, holding fast to the bundle of cloth.

Flaxton, who had been making balloon ascensions over a circuit of fairs, lived at Gloucester, N. J. The body was sent to his home yesterday afternoon.

VIRGINIA PYTHIANS ADJOURN.

Richmond, Oct. 23—The final session of the Virginia Grand Lodge of Pythians was held last night, following a theatre performance yesterday afternoon attended by all the delegates. An order was passed raising the per capita tax to 80 cents a member. This increase is to permit the employment of an organizer to help build up present and establish new lodges.

At an executive meeting the Hines memorial matter was considered. It is likely that a fund will be raised to erect a monument to Hines, a Pythian who sacrificed his life in a fire in rescuing a brother.

DEATH OF REV J. W. HUNDLEY

Well-Known Baptist Minister Who Formerly Had Charge in Norfolk.

Norfolk, Va., Oct. 23.—Rev. John W. Hundley, 74 years old, one of the best known Baptist ministers in Eastern Virginia, died Wednesday morning at 2 o'clock at the residence of his daughter, Mrs. W. A. Rinehart, Covington, Va., after an illness since last August. In August he was operated on at the Sarah Leigh Hospital for some minor trouble, but instead of improving he gradually grew worse, and left several weeks later for the home of his daughter where he sank gradually until he died.

Mr. Hundley spent the most of his life in ministerial work entering the ministry when a young man, and filled some of the most important charges in Eastern Shore, Va., and Maryland. He was pastor of London Bridge Baptist Church, Princess Anne county, which he resigned when finding that his health did not improve.

WANTS $2,500 DAMAGES.

Broke Arm When His Horse Fell Through Defective Bridge.

Bristol, Va., Oct. 23.—Percy Preston, a young farmer of Washington county, Va., is asking the court to give him $2,500 for a broken arm. His injury was sustained when his saddle horse broke through a defective bridge, throwing him forward over his horse's head. The city, it is understood, would have compromised with him, but not upon such a high figure. Inasmuch as the case is now to go to trial, the city will seek to establish the claim that it is not liable for any damages.

MARRIED AGED WIDOW.

Lloyd A. McAllister, Accused of Bigamy Says He was Drunk.

Richmond, Oct. 23—That he was drunk at the time of his marriage here on December 13, 1909, to Mrs Mary Mullins, a elderly widow nearly double his age, was the defense made in Police Court yesterday by Lloyd A. McAllister, a cement worker, thirty-six years old, of near Charlottesville, who is charged with bigamy.

McAllister, while not denying that the marriage took place, insisted that he was so intoxicated that he had no recollection of the event.

Offsetting this, the Rev. J. W. Dixon, superintendent of the Methodist Institute, on East Main Street, who performed the ceremony, recalled that McAllister gave no evidence of being drunk, In fact the minister was sure that he was thoroughly sober at the time.

On February 17th last, McAllister according to his own admission, was married in Staunton to a daughter of M. R. Graves, a well-to-do apple grower of Crozet, Va.

Another point of defense made by McAllister was that he thought his Richmond wife was dead. To substantiate this he produced a witness in the person of his brother, Andrew L. McAllister, a cripple who said that he had heard that Wife No. 1, was no longer living and that he had so notified Lloyd.

MINISTER OPPOSES SHOW

Takes Decided Stand Against Production of Mikado in Staunton.

Staunton, Oct. 23.—Rev. H. H. Sherman, pastor of the Central Methodist Church, had announced that he will take a most decided stand against the production of Mikado, to be given under the auspices of the Junior Chapter, U. D. C., to raise money to pay their pledge to the Y. M. C. A. fund and for other expenses, unless a change is made in the program.

It is understood that the objection to the "Mikado's" program was based on the appearance of Miss Bessie Baker, who consented to take part in the benefit. Miss Baker has been the guests in the homes of some of the highest in Staunton society circles. She came here teaching some of latest dances of society, and while a professional in that way could, only by a wild flight of imagination, according to her friends, be associated with figures who have made themselves notorious.

RELIEF'S BANQUET LAST NIGHT.

The banquet given last night by the Relief Hook and Ladder Company to their many friends was one of the most interesting and enjoyable in the history of the city. The feast marked the occupation of the handsome and modern home recently built for the company. Alexandrians who have been members of the organization during nearly half a century mingled with the new blood forming the active firemen of the present day. Others, not members, but whose recollections go back many years and who are acquainted with the history of the Relief Company, which has been a valued institution of Alexandria from the close of the revolutionary war, were present full of reminiscenses of other days.

The present company is the offspring of the Relief Fire Engine Company, which was organized in 1788, shortly after the United States secured her independence. Many now living well remember when the home of the company was on the east side of Fairfax street, near Duke. In the early fifties a building was erected by the organization on the north side of Prince street, near Royal, which up to last night had been the home of the truck company. A frame house occupied by "Aunt" Aery Francis, an old colored resident of those days, had stood upon the site. Before commencing the erection of the new engine house this structure was placed upon wheels and removed to the east side of Fairfax street, between Gibbon and and Franklin, where it now stands. "Aunt" Aery however, did not remove with it, but changed her place of business, that of manufacturing taffy, which sold at a cent a cake, next door to the engine house, where she continued her avocation until her death.

The company had two small hand engines—the "Relief" and "George Washington."

The new house was occupied by the company up to the breaking out of the civil war, when most of its members, who were members of military companies, went south and formed part of the Army of Northern Virginia.

During the war the government took charge of the building and housed a steam fire engine therein, the first which ever appeared in Alexandria. At the close of hostilities it was used by the Virginia State Journal where that paper was published several years.

In 1867 the present Relief Hook and Ladder Company was formed and an apparatus procured. They at first occupied the old house on Fairfax street, and in 1873 removed to Prince street. In 1886 the present hook and ladder truck was purchased.

During the long history of the Relief Company it has had and has now, representatives of our best and most enterprising people on its rolls. Alexandrians have ever been proud of the organization, and the vigor it has ever manifested is an earnest of its usefulness and perpetuity.

The movement inaugurated last night to purchase new apparatus for the company in place of the antiquated and dangerous truck now in use should meet with the approval of all.

CONFERS MASTER'S DEGREE

The Master Mason's degree was conferred at a meeting of Alexandria Washington Lodge, No. 22, A. F. & A. M. last night by the Past Master's Association of Alexandria. The following filled the chairs of the lodge: Charles H. Callahan, worshipful master; Thomas B. Cochran, senior warden; John G. Graham, junior warden; William Lewis Allen, senior deacon; Benjamin Aitcheson, junior deacon; Percy E. Clift, and J. Edward Shinn, stewards. At the conclusion of the degree work refreshments were served.

COMPROMISE ON NEGRO.

Bar Association Adopts Resolution of H. St. George Tucker.

Washington, Oct. 23—A dinner last night in honor of the United States Supreme Court and commemorative of its one hundred and twenty-first anniversary, presided over by former President Taft, and attended by Chief Justice White and the associate justice of the court closed the annual meeting of the American Bar Association. Peter W. Meldrim of Savannah, Ga., had been elected president at the final business session.

Compromise of the race question as to membership in the association in the closeing hours of the meeting permitted adjournment without a single contest on the floor. Moorfield Storey, of Boston, had introducel a resolution to rescind the 1912 resolution, declaring it had never been contemplated that negroes should become members. As a substitute Henry St. George Tucker, of Virginia before debate of the Storey resolution was taken up, offered a resolution rescinding the 1912 resolution, but setting forth that whereas it is important that full information should be furnished to the executive committee as to application for membership it was resolved that all applications for membership should state the race and sex of the applicant and such other facts as the committee should require. The Tucker resolution was adopted almost unanimously Mr. Storey grasped Mr. Tucker's hand and the entire audience broke forth in applause.

The Tucker resolution not only settled for the time being the negro question, but empowered the executive committee to pass upon the admission of women, three of who have applied for membership.

ONLY SURE CORN CURE EVER KNOWN.

"Gets-It" the New Way, 2 Drops do it.

To endure the pains and tortures caused by a little thing like a corn is ridiculous, simply because it is unnecessary. The new plan corn cure.

"GETS-IT" is the first one ever known to remove corns without fail, without pain and without trouble. This is why it is the biggest-selling corn cure in existence today. It is now used by millions, because it does away with sticky tape, with plasters and cotton rings that shift their position and press down onto the corn, with salves that "raw up" the toe, with "harnesses" that cause pressure and pain, with knives, razors and files, clawing and pulling at a corn.

"GETS-IT" is applied in two seconds. Two drops applied with the glass rod do the work. Pain goes, the corn shrivels, vanishes. Accept no substitute. Try it on any corn, wart, callus or bunion tonight.

"GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence and Company, Chicago.

The General says:

A well-satisfied customer is seldom lost. He will come back to the same house of business which has given him satisfaction and service before. The next time you are in the market for roofing remember—

Certain-teed

Quality Cert-ified Roofing Durability Guaran-teed

—has won its way to the front because customers who have covered one building with *Certain-teed* want it for other buildings.

They know by experience that *Certain-teed* is the highest quality roofing possible to buy and they know it is reasonable in price.

PRICE MAINTENANCE.

Its Necessity to Aid Consumer.

Many big industries engaged in national trade have often in the past done openly what the small concerns in their limited fields have done secretly—varied prices according to the degree of competition at different times and places. Their object has been to secure the highest price to be had, irrespective of whether the buyer was held up or not.

The principle of selling goods at a close margin at one place to meet or to kill competition, and charging a high price, to make up for it, where little or no competition exists, is economically wrong and unfair to the buyer. Every article offered for sale should have a uniform price plainly marked upon it.

Manufacturers will then have to see that the price of their goods is a reasonable one, so they will sell, and at the same time they will provide enough profit to pay the jobber and dealer fairly for handling the goods at a uniform price. This will inspire confidence in the consumer, because he will know the price can not be cut and must, therefore, be a reasonable one to permit the goods to sell. He will buy such goods in preference to a small selling article sold at exaggerated profits.

Everybody will benefit from price maintenance in this way. It will protect the manufacturer who has built up well-known brands, also the newcomer who is seeking to do so. Distributors will be protected in handling it at a fair profit, and they will not be forced, through fear of cut-throat competition, to build up their own private brands at much expense.

When you buy *Certain-teed* you have our real guarantee that it will last at least five years for 1-ply, ten years for 2-ply and fifteen years for 3-ply, and this guarantee is backed by the world's largest roofing mills.

There is a dealer in your city or town who handles *Certain-teed* products. He will be glad to give you information and prices.

What Would You Do?

There are many times when one man questions another's actions and motives. Men act differently under different circumstances. The question is, what would you do right now if you had a severe cold? Could you do better than to take Chamberlain's Cough Remedy? It is highly recommended by people who have used it for years and know its value Mrs. O. E. Sargent, Peru, Ind., says "Chamberlain's Cough Remedy is worth its weight in gold and I take pleasure in recommending it." For sale by all dealers.

SUIT FOR DAMAGES.

Young Woman Wants $25,000 From Millionaire.

New York, Oct. 23.—Mystery surrounds a suit for $25,000 filed yesterday in the Supreme Court by Corrine Louise Bannister against Geo. G. Murray, who is reputed to be a millionaire, with a summer residence at Newport, R. I.

Randolph M. Newman, attorney for Miss Banister, said she had been a client for more than ten years, but he was not at liberty to say who she was or where she lived.

"Is it a breach of promise suit?"

"He is a prominent millionaire," the lawyer answered, "and he has a summer place at Newport. You remember the suit brought by Mae Sullivan against Arthur I. Hoe, the millionaire? Well, this suit is like that, and if anything is more sensational in its details than the Hoe suit.

At the office of Mr. Murray, room 618 of the Vanderbilt avenue building, 51 East Forty-second street, it was said he was ill at his home.

A friend of Miss Bannister said it was understood that she had been a pupil and then a teacher in the Carpine School of Instruction, which was a large institution for teaching young woman the art of hairdressing and massage.

The other defendants were: C. B. Munday, vice-president of the bank; H. W. Huttig, director; Thomas McDonald, cashier, and Charles G. Fox, vice-president.

The La Salle Street Bank and Trust Company was closed by the State Bank Examiner June 12. Lorimer previously had been indicted in the Federal Court.

IN WAIT FOR GERMAN SHIPS.

Japanese Cruiser and Collier Outside Honolulu, with War Vessel Geier Inside.

Honolulu, Oct. 23—Standing just outside the three-mile limit, her searchlights constantly illuminating the entrance to Honolulu harbor, the Japanese battleship Hizen kept patrol last night, While anchored in the Roads the German warship Geier awaited the verdict of port officials as to how long she may remain in the harbor for repairs.

While the port officials have been uncommunicative regarding this time allowance, two reports have gained credence. One is that the repairs will be completed within a few days, when she must leave port and face her enemy lying in wait, or interne here for the remainder of the war. The other is that the officers of the Geier may ask permission to send to the mainland for necessary engine equipment In this event her overhauling would require at least a month.

The Hizen appeared off the harbor late yesterday fully coaled and provisioned, 14 days out from Yokosuka, a naval depot near Yokohama. Her commander, Captain Kawanami, when instructed by Rear-Admoral C. B. T. Moore to preserve neutrality, said he would do so, and also declared that he had no intention of entering the harbor.

HARRISON GIVES HIS SIDE.

Descendant of Ninth President Testifies in $10,000 Libel Suit.

Charles City Courthouse, Va. Oct 23—Progress was made yesterday in the $10,000 libel suit of Hugh Harrison against Mrs. Clarise Sears Ramsey owner of Westover, on James river. Mr. Harrison who said he was 35 years old, married, and a resident in the Westover neighborhood, occupied the stand all day and detailed a number of incidents between himself and Mrs. Ramsey, prior to the receipt of the letter in which she accused him of plotting to burn buildings at Westover, which accusations are the basis of his suit against the wealthy California woman.

Mrs. Ramsey, entered pleas of justification and of privilege. Judge Tyler overruled one of the pleas of justification and plea of privilege.

Harrison related his business relations with Mrs. Ramsey, and of his employment to run the plantation while she was touring Europe. He was subsequently dismissed by cable without explanation.

Mrs. Ramsey attired in a white dress, purple cape and purple cap, attended by her two sons, watched Harrison as he related his story.

The case will reach the jury Saturday after Mrs. Ramsey has given her view of the controversy.

CAPT. LEE'S FUNERAL.

Washington and Lee Faculty Escorts Body to Church.

Lexington, Va., Oct. 23—The body of Captain Robert E. Lee, youngest and last surviving son of General Robert E. Lee, commander-in-chief of the Confederate Army, who died at Upperville Monday, was brought here last night and at 10 o'clock this morning was placed in the Lee mausoleum at Washington and Lee University beside the bodies of his parents, two sisters, brother and grandfather, "Light Horse Harry" Lee.

The faculty of Washington and Lee University met the train and escorted the remains to R. E. Lee Memorial Episcopal Church, where the funeral was held. Colonel Robert E. Lee, of Washington, nephew of Captain Lee, had charge of the party, which was composed of the widow and daughters of Captain Lee, his sister-in-law, Mrs. W. H. F. Lee, of Fairfax county; Mr. and Mrs. Thomas Carter and Peter Mayo, of Richmond, and Mrs. Rosa Dulaney of Upperville.

BRITAIN PROUD OF INDIANS.

Glad to Have Them as Allies, Say Lord Crewe.

London, Oct. 23—The press bureau made public today for the first time the speech of Lord Crewe, Secretary of State for India, delivered last Tuesday to the officers recently appointed to the Government service in India.

"The Indian forces," the Secretary said, "will very soon be taking their place on the firing line beside their British comrades. The enemy make it a matter of reproach that we are employing Asiatic troops in Europe. To that I am prepared to reply in the words of the famous sentence over the gateway of the University of Aberdeen: "They say—what say they? Let them say."

"But I will add this. It is not in our eyes a matter of reproach but a matter of pride that our Indian fellow-subjects feel themselves identified with ourselves in the present quarrel, and I fully expect that the enemy may, before the war ends, learn several not unneeded lessons from the Indian troops, lessons in chivalry humanity and respect for the persons and homes of the poor and the humble."

STATE SENATOR ACCUSED.

Alleged in Suit he Defaulted as Revenue Collector.

Bristol, Va., Oct. 23—Suit was filed here yesterday against State Senator J. Parks Worley, of this county, alleging that he defaulted in the sum of $7,840 in State revenues collected by him while revenue agent.

The amounts are itemized in the bill and the firms from whom collections were made named. The suit seeks to recover from Worley and his bondsmen. The action is brought in the name of W. A. Owens, State revenue agent, and by direction of State Comptroller Woolen.

The bill avers that Worley never accounted for any of the collections mentioned. Worley is now in the midst of a campaign for re-election to the State Senate.

D. D. D. In Hospitals; Standard Skin Cure

How many hospital patients, suffering the frightful itch, the raw scorching pain of skin disease, have been soothed to sleep by a soothing fluid washed in by the nurse's hands?

That fluid is the famous D. D. D prescription for eczema.

THE SUPERVISING NURSE of one of our prominent Catholic institutions (name of nurse and institute on application), writes regarding a patient. "The disease had eaten her eyebrows away. Her nose and lips had become disfigured. Since the use of D. D. D. her eyebrows are growing, her nose and face have assumed their natural expression."

How many eczema sufferers are paying their doctors for regular treatment and are being treated with this same soothing, healing fluid?

DR. GEO. E. RICHARDSON frankly writes "D. D. D. is superior to anything I have ever found. Soft and soothing, yet a powerful agent."

To do the work, D. D. D. Prescription must be applied according to directions given in the pamphlet around every bottle. Follow these directions—and see!

And it certainly takes away the itch at once—the moment the liquid is applied. The skin is soothed—calmed—so thoroughly refreshed—delightfully cooled.

All druggists of standing have the famous specific as well as the efficient D. D. D. Skin Soap.

But we are so confident of the merits of this prescription that we will refund the purchase price of the first full size bottle if it fails to reach your case. You alone are to judge.

Don't Let a Cold Settle on Your Lungs

Many cases of Lung Trouble can be traced directly to a severe cold which has been neglected, and which, as a result, has affected the lungs. If you have a persistent cough or cold, take warning before it is too late. Eckman's Alterative is most beneficial in such cases and has been the means of completely restoring to health many persons who had serious lung trouble. Read of this case:—

Plensantville, N. J.

"Gentlemen: During the winter of 1911 I contracted a severe cold, which settled on my lungs. The doctor pronounced it lung trouble. I tried nearly every preparation without any result and kept getting worse. Eckman's Alterative was recommended to me and I commenced using it as a last resort. The first bottle seemed to give no relief; in fact, I seemed to feel worse, but I kept on using the medicine and found out the first bottle had really started me on the road to recovery by loosening the mucus and making me expectorate freely. After using the medicine for some time my cough ceased. I gained flesh and today I am a well man."

(Signed) GEO. M. BATES.

(Above abbreviated; more on request.)

Eckman's Alterative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stubborn Colds and in upbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for evidence For sale by all leading druggists

Check the Symptoms, of Lung Trouble

One of the many reasons why Lung Trouble is so difficult to fight is because the disease is often of a very flattering nature. The patient may look well, but in reality is fast losing strength by continued night sweats, fever and cough. These symptoms should be checked as quickly as possible. Eckman's Alterative is beneficial in checking fever and night sweats and it has brought about many complete recoveries. Read this case:—

305 W. 36th St., New York.

"Gentlemen: I am writing you this testimonial that others may know what your Alterative has done for me. Since I was a very young woman I was a sufferer from Bronchitis. I tried doctor after doctor, getting little or no benefit. Finally I had night sweats, weak spells and lost rapidly in weight and my doctor told me if they were not checked I would have Lung Trouble. Miss Mary Korhamer, who is a friend of mine, recovered after taking your Alterative and assisted that I try it. I am now, after two years, perfectly well, strong and healthy."

(Affidavit). MRS. ROSA VOELPEL.

(Above abbreviated; more on request.)

Eckman's Alterative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stubborn Colds and in upbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists.

HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work.

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 43 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years and will help you, too.

Try Cardui. Your druggist sells it.
